TOWN WARRANT

To the Inhabitants of the Town of Raymond in the County of Rockingham in the State, qualified to vote in Town Affairs:

You are hereby notified to meet at Odd Fellows Hall in said Raymond on Tuesday, the 14th day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray all town charges for the ensuing year and make appropriation of the same.
3. To fix compensation for collecting taxes for the year ensuing.
4. To see what sum of money the town will vote to raise and appropriate for town maintenance including snow.
5. To see what sum of money the town will vote to raise and appropriate for street lighting.
6. To see what sum of money the town will vote to raise and appropriate for Memorial Day.
7. To see what sum of money the town will vote to raise and appropriate for the Fire Department including forest fires.
8. To see what sum of money the town will vote to raise and appropriate for Dudley-Tucker Library.
9. To see if the town will vote to authorize the Selectmen to borrow money in the anticipation of taxes.
10. To see what sum of money the town will vote to raise and appropriate for W. P. A. Projects.

11. To see if the town will vote to raise and appropriate such amounts for State Highways as recommended by the New Hampshire State Highway Department.

12. To see if the town will vote to raise and appropriate \$1,000.00 toward payment of debt.

13. To see if the town will vote to make a discount of 2 per cent on all property taxes paid on or before August 1, 1939.

14. To see what sum of money the town will vote to raise and appropriate for tarring.

15. On request of Frank Waterhouse and twenty-three others, to see if the following article be inserted in the town warrant: To see what sum of money the town will vote to raise and appropriate for the improvement of the Harriman road, so-called, and to take any action regarding thereto.

16. On request of Allen Robinson and twenty-seven others, the following article be inserted in the town warrant: To see what action the town will take in regard to the continuation of the improvement of the Manchester road, so-called, and to raise and appropriate money for the same.

17. To see if the town will vote to charge a twenty cent fee on all poll taxes not paid by September 1, 1939.

18. To see what action the town will take in regard to selling property taken over by taxes.

19. To see what sum of money the town will vote to raise and appropriate for the care of town dump.

20. To see what sum of money the town will vote to raise and appropriate for surveying and laying out lots in new cemetery, and to establish price per lot.

21. To transact such other business as may legally come before the meeting.

Given under our hands and seal, this twenty-seventh day of February, in the year of our Lord nineteen hundred and thirty-nine.

FRANK CORSON,
AI WELCH,
CHARLES GILE,

Selectmen of Raymond.

32	alarms answered by Hose 3

WATER COMMISSIONERS' REPORT

For Year 1938-39

New Hampshire Gas and Electric Company, to light and power used in pumping wa- ter for the year,	\$996 55
Andrew J. Gordon, services rendered for the year, labor on hydrants, at pump- ing station, etc.,	91 81
Raymond Coal, Grain & Roofing Company, postage, telephones, oil for pumping station, etc.,	142 41
Charles P. Armstrong, services rendered,	25 00
William H. Sleeper, services rendered,	20 00
Ludlow Valve Manufacturing Company, hy- drant,	65 62
Frank L. Willis & Company, auditing of ac- counts for Public Service Commission ac- ceptance,	26 36
Maynard's Garage, taking care of pumping station and oil used,	95 78
Clark Controller Company, coil for pump,	24 95
Asbury Small, services rendered,	25 00
Herman Clock, services rendered,	6 90
Bartlett Agency, insurance,	65 00
A. L. Franks Company, fuses,	4 70
Pauline Harrington, services rendered,	153 00
Interest on bonds and notes,	854 20
	<hr/>
	\$2,597 28

Notes and Bonds:

To payment of note,	\$2,000 00	
To payment of bond,	400 00	
To payment of bond,	400 00	
	<hr/>	2,800 00
		<hr/>
		\$5,397 28

Receipts

To receipts from water for the year,	\$5,069 20
Deficit for year of 1938-39,	328 08
	<hr/>
	\$5,397 28

Your water commissioners for the year 1938 and 1939 report a deficit for the year of \$328.08. We still had to pay \$2,000.00 on a note and two \$400.00 bonds which caused the deficit.

However, if we can have one more year of good collections it will clean up another \$2,000.00 note which will make our obligations much less and put the water department on a paying basis.

At the end of the year we had \$2,077.90 outstanding water bills which if we could only collect would be a big help to us. We are, however, trying to collect every possible bill we can. The list of delinquents is on separate file here at the office for your inspection at any time.

RAYMOND WATER COMMISSIONERS,
ASBURY SMALL,
HERMAN CLOCK,
CHARLES ARMSTRONG.

AUDITORS' REPORT

February 20, 1939

We, the undersigned auditors for the Town of Raymond, N. H., have examined the accounts of the Selectmen, Treasurer, Trustees of Public Funds, Clerk, Trustees of Library, Tax Collector and Water Department for the year ending January 31, 1939, and find them correctly cast and properly vouched.

HARRY M. GREENE,
JOSEPH A. BLAKE,

Auditors.

FINANCIAL REPORT OF SCHOOL BOARD

For the Fiscal Year Ending June 30, 1938

Receipts

State and Federal Aid:

Equalization fund for elementary schools,	\$3,870 38
Smith-Hughes federal aid for vocational education,	1,657 26

Income from Local Taxation:

For the support of high schools,	5,104 00
For the support of elementary schools,	7,500 00
For the salaries of district officers,	140 00
For the truant officer and school census,	100 00
For the superintendent's excess salary,	400 00
For the \$2 per capita tax for supervision,	506 00
For the payment of principal of debt,	2,250 00
For the payment of interest on debt,	250 00
For other obligations, administration,	150 00

For special appropriations:

Insurance,	350 00
New equipment,	250 00
Rent of I. O. O. F. Hall,	60 00

From Sources Other Than Taxation:

Dog licenses,	289 70
High school tuitions,	2,236 51
Sale of property,	158 45

Total receipts from all sources,	\$25,272 30
Cash on hand at beginning of year, July 1, 1937,	26 46

Grand total,	\$25,298 76
--------------	-------------

Payments

Administration:

Salaries of district officers,	\$145 00	
Superintendent's excess salary,	400 00	
Truant officers and school census,	100 00	
Expenses of administration,	158 00	
	<hr/>	\$803 00

Instruction:

Principal's and teachers' salaries,	\$11,800 00	
Text books,	384 51	
Scholars' supplies,	678 19	
Flags and appurtenances,	11 55	
Other expenses of instruction,	82 67	
	<hr/>	\$12,956 92

Operation and Maintenance of School Plant:

Janitor service,	\$1,050 00	
Fuel,	769 08	
Water, light, janitor's supplies,	293 25	
Minor repairs and expenses,	599 70	
	<hr/>	\$2,712 03

Proceeds of bonds,	20,050 44
Receipts from U. S. treasury,	8,825 00

Total funds available January 31, 1939, \$51,958 29

Total payments July 1, 1938, to January 31, 1939, 33,574 87

Balance, *\$18,383 42

* \$9,182.25 of the total balance represents Construction Funds.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Raymond:

I have the honor of presenting herewith my tenth annual report. It deals chiefly with present enrollment, staff of teachers, state and federal aid, special activities, and buildings and equipment.

Present Enrollment

The present enrollment of two hundred seventy-two pupils includes 200 in the elementary grades and 72 in the senior high school. There are fifty-three pupils in the junior high school, or nearly 40 per cent more than your senior high school enrolled ten years ago. The members in junior high school indicate a probable enrollment between 90 and 100 in the senior high school next September. There are now in high school 24 pupils from neighboring towns. Five of these are in the graduating class. Recent additions to the building will amply accommodate the high school and will partially relieve congestion in the intermediate grades.

Staff of Teachers

The interest manifested by your teachers in professional improvement is commendable. Of the ten full-time teachers in your schools, two attended the 1938 Summer Session at Plymouth. Within the year two other members of your staff completed Harvard-Boston University Extension Courses. Mr. Neil V. Sullivan, teacher of grades V and VI, was recently granted leave of absence until September, 1939, to take post-graduate courses at the Fitchburg State Normal College in Massachusetts.

Mr. Henry J. Hastings of Newport has been selected teacher in Mr. Sullivan's position for the remainder of the school year. Mr. Hastings was graduated in 1935 from the three-year junior high school course at Keene. For two and a half years immediately preceding his coming to Raymond, Mr. Hastings taught junior high school grades in Windsor, Vermont.

Due to illness Miss Dorothy L. Britton requested release from her contract, which was granted soon after the opening of schools in September. Miss Jennie Hardy is serving as a permanent substitute in this position. Miss Hardy is a graduate of the two-year course at Plymouth and has completed college courses at Columbia and New York University. For over nine years she taught in the junior high school of Rutherford, New Jersey.

Through the special appropriation for Music, made by the district in March, 1938, we have secured the services of Mrs. Dorothy S. Lovell of Manchester to organize and direct music instruction in all grades. Mrs. Lovell graduated in 1932 from the three-year music course at Keene. She has taught for several years in New Hampshire and is now completing her fifth year as music supervisor in the schools of Goffstown. Mrs. Lovell conducts the music classes in Raymond on Tuesday of each week. Teachers and pupils have cooperated readily, and both boys' and girls' choruses are developing musical talent in the junior and senior high schools.

State and Federal Aid

The total received from state and federal aid for the past year was approximately five thousand dollars. The increase was due chiefly to professional improvement in the staff of teachers. Another contributing factor was the extension of domestic science instruction to include personal supervision of home projects

by the classroom teacher. Improved sanitary facilities and the elimination of double trips by school buses increased materially the amount of State Aid.

Special Activities

By a score of 290 out of a possible 300, Raymond's spelling team placed third among the six competing teams in the annual spelling contest. The local team included Muriel Welch, Grade VIII; LeRoy Fogg, Grade V; and Wanda Lyman, Grade IV.

In the New Hampshire-Bates League debates your high school won 3 to 0 decisions from Nashua High School and Sanborn Seminary. In the final debates, held at Bates College, Raymond won second place among the four high schools from New Hampshire.

The Constitutional Scrapbook prepared and entered by the seventh and eighth grades, under the direction of Miss Britton, was awarded first place among the schools in this Union. The Raymond scrapbook was also entered in the State-wide contest and displayed in Concord at the State Constitutional Celebration on June 21, 1938.

In the state-wide poultry judging contest, held at the University of New Hampshire, James Sprague, a junior in your high school, won first place and was chosen to lead the team of New Hampshire high school boys representing this state at the Eastern States Exposition in Springfield, Massachusetts. Unfortunately the gale of September 21 prevented the team from competing at Springfield.

Activities in athletics have been loyally supported. New baseball uniforms were provided recently from the generous contributions made by the business and professional men and women of Raymond. The boys' and the girls' basketball teams have made a creditable record. Raymond's success in track events has been outstanding, even in competition with city high schools.

Ernest Proulx of the junior class was selected a member of the all-state cross-country team, placing fourth in the all-state group of seven members.

Through the financial assistance of the Red Cross, Parent-Teacher Association, and other local organizations, seventy-one pupils received dental treatment at the clinic conducted by Dr. R. H. Bethell. For the care received, 43 pupils paid the full cost, 4 paid part cost, and 24 received free treatment.

The services of Dr. Robert Kerr were secured by your school nurse for the examination of twenty-seven children. Twelve pupils showed improvement since the X-Rays of the previous year. Five children were given the "Skin Test." More rest and nourishment were advised for fifteen of the group. In one case the removal of tonsils was recommended.

The school paper, "Mid-Grade News," sponsored by the fifth and sixth grades, under the leadership of their teacher, has merited and received most generous patronage. The project is not only educational but self-supporting.

The Raymond Bugle and Drum Corps, sponsored and chiefly financed by more than twenty organizations and individuals, and conducted under the leadership of Mr. Sullivan, enrolls fifty-five boys and girls, the majority of whom are in the elementary grades. No project has evoked more general community appreciation and hearty cooperation. The townspeople have contributed both of their time and money. Over one hundred ninety dollars have been paid by the children who own their instruments, while donations exceed two hundred seventy-five dollars.

Buildings and Equipment

On February 11, 1938, as referred to in my last annual report, we were informed by Mr. H. A. Gray, the assistant administrator of Public Works in Washing-

ton, that a recommendation of federal grant under Docket No. N. H. 1082, for an addition to the Raymond High School could not be made.

The following quotation is from a letter of April 18, 1938, signed by Mr. Frank R. Creedon, Acting Regional Director, P. W. A., "Additional information later received indicated that said applicant was not able to furnish the entire cost of the project and in order to correct the inequality which resulted from the misunderstanding, a grant in the amount requested (\$15,885) is now being made to the above applicant."

With authority from the Governor and Council and permission from the State Tax Commission, the School District, in special meeting called on May 7, 1938, accepted the federal grant and authorized a bond issue of \$20,000. Through Ballou, Adams, and Whittemore of Boston, the bond issue for a twenty-year period was obtained at $2\frac{3}{4}$ per cent interest.

Subsequent to the third call for bids, made necessary by alterations in the original plans, contract was awarded on October 11, 1938, to Davison Construction Company of Manchester, and actual construction began three days later.

Additions include a gymnasium-auditorium having stage and dressing rooms and seating capacity for an audience of five hundred. The basement wing contains shower and locker rooms and a modern classroom. One "Fitzgibbons" steel tubular boiler, fired by a "Branford" oil burner, replaces the two original boilers and supplies heat to both the main building and the additions. The new boiler room is of fire-proof construction. The fuel tank of 4,000 gallons capacity is located underground and outside of the building.

Pursuant with the vote of the district, including an appropriation of \$300, a "Gamewell" automatic fire alarm system has been installed throughout the main

building and additions, including the separate shop and laboratory building. "Vitalarm" units are located on all floors and in the basement and attic. Automatic sound signals for fire and fire drills operate in each corridor and in the auditorium. An automatic siren of one-fourth horse power also sounds alarm outside of the building.

Several improvements and additions have been made in the equipment of various departments. New white enameled sinks have been placed in both the boys' and the girls' basements. Your janitor, Mr. Littlefield, has built for the sewing classes a very attractive and useful cabinet containing thirty-five individual compartments. These are designed so that each girl in the class may have a separate drawer in which to protect unfinished projects. Upon the recommendation of Mr. Little, the State Supervisor of high school classes in Agriculture, a twelve-bottle, motor-driven "Jalco" Babcock tester for the butterfat content of milk and cream has been added to our practical equipment. This is designed to serve the farmers in this vicinity as well as the classes in Agriculture.

From the special appropriation for music and with the assistance of the music supervisor, sufficient funds were provided to purchase second-hand a cabinet grand piano made by Schumann & Sons. This is intended for use in the new Auditorium.

The purchase by Raymond in conjunction with the other districts of this Union of a *Keystone* motion picture projector and "daylight" screen for use in their schools makes available a wealth of subjects best presented through visual education. Free films representing history, geography, and science are loaned to schools by our State Board of Education. Over a thousand other films, including literature and the latest in travel and invention, are procurable for a small

rental fee. This equipment is so simple that it may be operated by a teacher or even an older pupil.

During January a thorough survey was made by means of the "Light Meter" to determine the efficiency of artificial lights in the various classrooms. We were not surprised to learn that "the artificial lighting facilities in the school are among the worst in the state." Pupils were found in several crowded rooms to be reading or sewing under a light intensity of only 8 to 10 candle-foot, where at least 15 candle-foot are required to prevent eye-strain, and 20 to 25 candle-foot are desirable for sewing. It is hoped that these conditions may be corrected before another year, and artificial lights in the main building made comparable with those in the addition.

In conclusion the Superintendent wishes to commend the policy of the School Board in making permanent improvements wherever these add to better health and instruction and are obtainable with funds available.

A reduction in the average number of tardinesses per pupil from .7 to .6 and the fact that the number of pupils having perfect attendance advanced from 10 to 23 reflect credit upon pupils, parents, transportation drivers, and attendance officer.

We would express our fullest appreciation of the personal interest, time, and means contributed by organizations, town officials, and private citizens to the success of the activities of the past year.

Respectfully submitted,

GEORGE H. HARMON,
Superintendent of Schools.

February 25, 1939.

REPORT OF SHOP WORK

To the Superintendent and School Board:

During the school year, 1937-38, the following projects were completed in Manual Training:

- 4 End tables
- 18 Tie racks
- 11 Sets of book ends
- 6 Book shelves
- 2 Book cases
- 2 Watch holders
- 7 Table lamps
- 6 Cribbage boards
- 2 Magazine racks
- 1 First aid cabinet
- 1 Ironing board
- 1 Bench saw
- 2 Step ladders
- 2 Hall trees
- 1 Tool chest
- 3 Foot stools
- 2 Chick feed hoppers
- 1 Set of tin cookie cutters
- 1 Saw horse
- 1 Double runner sled

Along with the above projects repairs were made on numerous chairs, tables, etc.

Received from projects completed,	\$11 38

Report of Special Work

Dental clinic, May 12, 13, 1938, 71 pupils treated.
 Chest Examination by Dr. Kerr, given 27 pupils.

2 pupils to oculist November 8, 1937, February 14, 1938. Glasses obtained.

2 pupils to Tonsil and Adenoid clinic, Elliott Hospital, November, 1937.

1 pupil to orthopedic clinic, Dr. Jones, March, 1938, responded to treatment.

Audiometer test given to 196 pupils May 26, 27, 1938.

MARGARET E. CRONIN, R. N.,
School Nurse.

THE REPORT OF RAYMOND HIGH SCHOOL

To the Superintendent and School Board:

The High School opened last fall with an enrollment of 73 in the Senior High and 53 in the Junior High. Since then 3 have entered the Senior High and 3 the Junior High, making a total registration of 132.

The outstanding event of the school year is the erection of the long awaited gymnasium. The boys and girls seem to be playing better basketball already, in anticipation of the extra practice they will enjoy. The girls have won two games and the boys one to date with several games still scheduled. The home games have been fairly well attended. We wish to thank Andrew Gordon for donating his bus to take the team to Somersworth, in order to help the Athletic Association get out of the red.

One new sport was organized this year, when a cross-country team represented the school. The boys trained hard and had a creditable year, beating Manchester West High in a dual meet and placing fifth at the Kiwanis meet, ahead of West and Laconia. Ernest Proulx was chosen a member of the All-State Cross-Country team.

Raymond is to be a member of the Southeastern League in baseball this year, competing against Epping, Coe's, Pittsfield, Farmington and Alton. It is hoped that the league will add interest to the team. There is a possibility that the league will also sponsor a girls' softball schedule. If so, the only handicap we will have is lack of transportation. If any parents or friends would like a pleasant trip and an exciting game, they may enjoy these and do a good turn at the same time by offering to provide a car to take players to games. The Headmaster will be glad to provide a list of games to be played away.

Due to poor weather, the winter sports team competed in but two carnivals, at Raymond and Alton. We wish to thank Edgar Smith for taking a load to Alton.

The debating team is working hard on the question of an alliance with England. Three members of last year's team, which finished second in the state, are back this year.

Early in the fall, three one-act plays were presented, with the proceeds going toward the cost of magazines for the school library. A good sum was realized, and the library has a good supply of magazines. Coe's Northwood Academy, under the auspices of the Senior Class, put on a fine three-act play, "The Clown Prince." The Raymond Seniors are to return this in the spring.

The Athletic Association, which has been "in the red" for some time, has all past bills paid. The Alumni Association, at its meeting last spring, appointed a committee to work with the officers of the Athletic Association on this matter, and it is suggested that this committee and the officers work out a plan before the next Alumni meeting whereby all funds may be handled by an Alumni Treasurer, as is done in several schools. One reason for the lack of funds is the fact that the most expensive sport, baseball, does not bring in any appreciable amount. The Business Men and other friends contributed a large amount for new suits, which were very much appreciated, but that did not go toward current expenses.

There are two matters which have been referred to in several previous Headmaster's Reports, which have had no visible results, but they are repeated for what they are worth. The first is that there are very few parents who attend our school socials—I can call to mind but three during the present school year, although one of those contributed very largely to the

success of the party. The other is that very few parents visit school during the regular sessions. To be sure, many work in the shop, or are for some reason unable to visit, but it is to be hoped that a larger number accept our invitation to come and see the school in action.

Respectfully submitted,

L. P. BAGLEY,
Headmaster.

SCHOOL CALENDAR

Raymond, N. H.

School Year 1938-1939

Adopted by the School Board July 30, 1938

1938	Weeks	Days
First Period opens Tuesday, September 6, closes Wednesday, November 23, (4 days vacation)	11	2
Second Period opens Monday, November 28, closes Friday, December 23, (9 days vacation)	4	
1939		
Third Period opens Monday, January 9, closes Friday, February 17, (9 days vacation)	6	
Fourth Period opens Monday, February 27, closes Friday, April 21, (9 days vacation)	8
